

NEWSLETTER MAY 2016

COMMODORE'S CORNER

Commodore's Corner

Greetings Members

This awesome weather is great alright!.....I heard there were quite a few fishing out off the Tora Coast on the weekend, Don Hohepa Finlayson managed to bag some nice cod out of Sandy Bay, But the Tarakihi were hard to find.....Unlike the Catfish in Lake Taupo....attached photo is of the "catch" from the annual NZ Spearfishers Lake Taupo Catfish Cull which shows how many of these Imports are swimming free in our waters. The cull is free dive only, & pronged spears only to be used.

This trailer load was destined to be dumped & used as garden fertiliser.

With the Winter months ahead, the committee plan to get maintenance done on the tractor & get as many of the tractor users together for a bit of a social get together & discussion on the correct use of this asset.

There have been a couple of instances lately, where the proper procedures for using the tractor have'nt been followed, resulting in issues such as flat batteries etc....leaving the problem to be sorted by someone else...

The committee plan to get the Mac slab/fillet table, donated by Ticehurst Timber, to be installed at Ngawi in the near future, we will probably coincide this with the tractor get together if possible.

Let's hope this fine weather continues, enabling us to get out there & do it!

Keep safe on the water & check your safety gear & radio/s before you launch.

Wiremu Telford

At a wedding party recently, someone yelled, "All the married men, please stand next to the one person who has made your life worth living!" The bartender was crushed to death.

This from our filleting table at Sandy Bay

Please pencil in the date of Sunday 24th July this is when the club will hold its annual AGM at the Pukemanu. Times and more information will be in the June newsletter.

April Club Results

No Competition.

NEXT COMPETITION DATE:

14TH-15TH May

TIDE & RADIO INFORMATION:

	<u>Saturday</u>	<u>Sunday</u>
High Tide:	11:31 am	12:22 pm
Low Tide:	5:26 am	6:14 am

BITES TIMES.

Sat 14th

Major Bite 5:34-7:34 am

Minor Bite 10:25am-1:25 pm

Sun 15th

Major Bite 6:20-8:20 am

Minor Bite 10:57am-1:57 pm

Radio Watch Channel 4.

First call up from 7.30 am

Contact:

Someone from the committee

Snapper:	Warren Edwards	1.53 kg
Tarakihi:	Gary Warren	2.775 kg
Trevally:	Mary Edwards	1.72 kg
Trumpeter:	Gary Warren	4.95 kg
Tuna:		
Game Fish:		

A lady comes home from her doctor's appointment grinning from ear to ear. Her husband asks, "Why are you so happy?" The wife says, "The doctor told me that for a forty-five year old woman, I have the breasts of a eighteen year old." "Oh yeah?" quipped her husband, "What did he say about your forty-five year old ass?" She said, "Your name never came up in the conversation."

The Riversdale / Pukemanu fishing challenge took place on the 16th April. The forecast was looking promising, but unfortunately a big swell came out of nowhere early Saturday morning and bugged the sea, so the boat fishing was canned, although there were a few land based fishermen from Riverdale that braved the elements and threw a few rods in the water.

Skeet shooting, darts, and bullshitting resumed at our host Campbell's place. After a nice barbecue lunch six vehicles went on a four wheel drive trek around the coast to White Rock. Permission was given to traverse a hillside track on White Rock Station to get a view of the coastline from up high, and it was certainly worth it. Back at Campbells on Saturday night both clubs enjoyed a great meal, karaoke singing, and of course liquid refreshments until the early hours.

Tony Kerr and Marty Dawes agreed that the trophy up for grabs would remain with Riversdale as holders and again be contested for in 2017 at Riversdale due to no fishing this year.

Thanks must go to Campbell Edwards for hosting both clubs at his house for the weekend, it was a great venue, there was plenty of room, and both clubs appreciated all that Campbell did.

Thanks must also go to Tony Kerr from our club and Marty Dawes from the Riversdale club for the effort they put in, to organizing the weekend. There was good representation of members from both clubs, everyone enjoyed the banter and fun, although no fishing took place.

I am already looking forward to next year's challenge.

Marty and Tony discussing the Trophy

Both clubs chilling out before lunch.

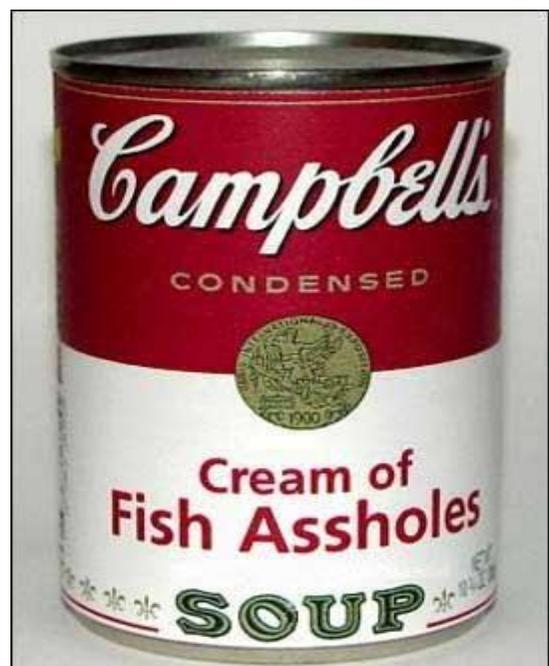

Stretching the legs on the 4x4 trek

Our host Campbell Edward's preparing the kai for Saturday night. No one went hungry.

Not too keen on his soup though

Spider Wire Stealth Blue Camo Braid

Spider Wire Stealth Blue Camo is a tough, sensitive Dyneema line designed with saltwater anglers in mind. The camo pattern alternates between deep blue, turquoise and white-line segments that blend into the fish's environment. Above water, the white segments of the line make it visible to the angler for added support in detecting strikes. Stealth Bluewater Camo is available in 3 to 24kg test line and comes in 150 and 300m spools. Distributed by Pure Fishing NZ and available through dealers nationwide.

A woman goes into Hunting & Fishing to buy a rod and reel. She doesn't know which one to get, so she just grabs one and goes over to the register. There is a salesman standing there with dark glasses on. She asks, "Excuse me sir. Can you tell me anything about this rod and reel?" He says, "Ma'am I'm blind, but if you drop it on the counter I can tell you everything you need to know about it from the sound that it makes." She didn't believe him, but dropped it all on the counter anyway.

He said "That's a 6' graphite rod with Zebco 202 reel and 10 lb. test line. It's a good all around rod and reel, and it's \$20.

" She says, "That's amazing that you can tell all that just by the sound of it dropping on the counter. I think it's what I'm looking for, so I'll take it.

" He walks behind the counter to the register. And in the meantime, the woman farts. At first she is embarrassed, but then realizes that there is no way he could tell it was she. Being blind, he wouldn't know that she was the only person around. He rings up the sale and says, "That will be \$25.50." She asks, "But didn't you say it was \$20?" He says, "Yes ma'am, the rod and reel is \$20, the duck call is \$3, and the fish stink bait is \$2.50!"

Club Weekend Competitions.

The committee is proposing to run the occasional club day from Tora. This will involve staying 1 or 2 nights at a beach house. This is an idea to create a more social side to our club, and a way of meeting new members. We propose to start this in the next 2 or 3 months. Everyone is welcome and even if you fish regularly at Ngawi and wish to join in, let someone from the committee know you are keen to attend, so arrangements can be made for you to fish from another boat if need be.

Dates to be advised.

Member Profiles.

You will have seen published from time to time in the newsletter a few pages relating to a skipper and their boats, just recently Commodore Mark did one about Paul Catt.

To gather information and photos can often take time for one person, so this is a request to skippers of the club, for them to send in a blurb about their boat, ie, how long you have been fishing, your crew, favourite fishing spots, etc, accompanied with a couple of photos to my email kev.clare@clear.net.nz then from time to time I can include these profiles in the newsletter. Look forward to hearing from you.

Cheers,

Kevin.

Win with the DB Export NZ Fishing Competition

You and a mate could win a day's fishing with 'Fish of the Day' television host, Clarke Gayford on an Offshore Adventures Charter with the legendary Tony Orton at the helm.

Not only that but you'll catch your fish with some top quality Shimano tackle (which you get to keep) and be able to smoke some up for friends and family with your new Bradley smoker when you get home!

Register now and you could win!

- A day's fishing trip with Clarke on 'Offshore Adventures' for you and a mate.
- An Ultimate Shimano fishing kit
- A Bradley Smoker

About the DB Export NZ Fishing Competition

The DB Export NZ Fishing Competition is our leading on-line fishing competition based around a measure and photo format. Anglers from anywhere in New Zealand can participate in some friendly competition and fantastic prizes by photographing their catch on an official measure and entering on-line.

Leaderboards display catches from around the country and a 'Hall of fame' is a parade of the all-time best of the best. And there's some massive fish in there including a 96cm snapper and a 150cm kingfish.

A number of fishing clubs are using the DB Export NZ Fishing Competition leaderboards to run measure sections in their tournaments. It takes only a few minutes to set-up and there are no costs involved. Entering a catch is as simple as taking the photo on your smartphone then loading it at www.fishingcomp.co.nz using the phone's web-browser.

Get a few mates or friends from work and have your own mini competition in your own private group. Takes a minute or two to set up at www.fishingcomp.co.nz.

Three surgeons are sitting in a bar... getting drunk and talking about the great successes in their careers. The first takes a shot and says, 'I had a patient, a concert pianist. He severed all ten of his fingers in a freak cooking accident with a very sharp knife. I meticulously reattached them, and within a year, he played a concert for the Queen of England.' The second surgeon hears this, knocks back a shot, and says, 'You think that's something, listen to this. I had a patient that lost both his legs and his left arm in a freak combine accident. I reattached all three limbs and a year later, he won a triathlon gold medal at the olympics.' The third surgeon sits back and laughs. He buys a round of shots, and says, 'That's nothing. Get this. I had a patient, the man was an equestrian. Well, one day, he was out riding and he lost track of where he was, and he and his horse were hit by a freight train. After the accident, all I had to work with was his toupee and a horse's ass, and today... That man is winning the US Republican presidential primary.'
